

Stormwater Solutions Bursary Competition 2022

This contest is open to grade 12 students within the Cape Breton Regional Municipality.

Criteria: Using the information in the Homeowner's Guide to Flood Prevention and Recovery found at:

<https://www.acapcb.ns.ca/publications>

perform an assessment outlining the current water drainage and options for minimizing flood risk, increasing water absorption, or redirecting water in your yard, or school yard. Please submit a one page summary of your assessment.

1st Place

\$1000

2nd Place

\$500
